

3rd Squadron 5th U.S. Cavalry

Black Knights

To paraphrase the old Marine Ad... ***We are looking for a few good people!***

We are in the process of updating, documenting and streamlining all our procedures in an effort to serve our membership better and to communicate in a more efficient and understandable manner.

We are looking for those willing to work along with John Lotsman, and me on the website.

Some of the areas where we need help are categorizing and eliminating duplicates, standardizing the Photo Galleries, generating forms and documenting as well as generating procedures

Some of the skills that would be helpful but not required are;

- Working knowledge of Microsoft WORD and/or EXCEL
- MACROS (VBA code)
- Form design and creation
- Ability to read/understand “code” and generate documentation from it
- Website Design and Coding
 - Command Management Systems
 - Dreamweaver
 - WordPress
 - Others
 - HTML and associated ‘languages’ (CSS, Script, Java Script, SQL, PHP, etc.)
- ***Most importantly – Technical skills and knowledge are not required but the willingness to help out and learn new skills when required are.***

Please respond via EMAIL to Mike Cook (mcook159@tampabay.rr.com) and John Lotsman (jlotsman@stny.rr.com) if you are interested in helping. If you have a preference, please indicate the area(s) you would like to help with and any skills that you might have.

The web site has gotten too big for this redneck to handle it alone. Help is needed!

Mike ‘Cookie’ Cook
