**The DOD casualty database as well as the Vietnam War Dead program; and has been worked on by a number of people over the course of several years. To the extent possible, it has been checked against personal knowledge of troopers present at several reunions.**

**Compiling this list was not an easy job because the DOD data only contains unit information to the level of "major commands". The 3rd/5th Cav served under a number of major commands in Vietnam (OPCON), and the "official" records state that a 3/5 Cav Trooper was with the 5th Mech., or the 101st Airborne for example, when they were not. Also, on 01/01/71 D-Troop, 3/5 Cav, was renamed C-3/17, 1st Aviation Bde. For that reason, we are particularly interested in hearing from anyone who knows of omissions from the list or errors of any kind in it. If you have such information, please click on this name to contact Dewey Fambry , who is presently coordinating this effort. Thank you Dewey, for your continuing dedication and a tough job well done!**

**Within each name is a second page into which you may enter a note, or place a picture or photo, newspaper clipping etc. Click on this link to do so.**
